CERTIFICATION

This is to certify that the Social Security System (SSS) has complied with one of the provisions under Section 32: Corporate Social Responsibility of its Manual of Corporate Governance to wit: "the Social Security Commission shall establish an environmentally friendly value chain to safeguard the environment such as the management and implementation of a paperless environment at SSS".

SSS has implemented the following:

1. Coded Trash Bins. These coded trash bins are SSS adoption of the 3Rs of proper waste disposal: Reduce, Reuse and Recycle. The 3Rs are embodied in Republic Act No. 9003 also known as Ecological Waste Management Act.
2. Energy efficiency of Building Management. SSS has implemented the use of inverter type air-conditioning units at SSS Main Building wherein they are using ozone-friendly refrigerants, and LED bulbs/lamps. These provisions comply with Administrative Order 183: Directing the use of energy-efficient lighting/lighting systems in government facilities.
3. Provisions of Solar Energy in identified branches in 2024.

Further, SSS digitalization initiatives promotes paperless transactions and checkless disbursements in its operations.

This Certification is in compliance with the provisions of the Corporate Governance Scorecard mandated by the GCG.

Done this 15th day of March 2024 in Quezon City.
