

ANNEX "A"

PROJECT: Supply, Delivery and Installation into Operational State of 10G Modules to Upgrade the Existing Core Switches (Cisco Nexus 7009)

A. ISSUES RAISED DURING THE PRE-BID CONFERENCE

	Query/Clarifications	SSS Reply
1	<p>On Comprehensive Training,</p> <p>a) Can the bidder conduct the training or should it be from a third-party training center?</p> <p>b) For CCNP Training, are all 3 modules covered?</p>	<p>a) For 4.1, the bidder may conduct the training. For 4.2, training shall be conducted by authorized training center.</p> <p>b) Yes.</p>
2	<p>On item 1.1 of the Technical Specifications of the PBD</p> <p>a) Based on CISCO website, the required model is already refurbished. Will you allow a refurbished model?</p> <p>b) Will you allow a model with same number of ports but with a different part number?</p>	<p>a) No.</p> <p>The correct module number is N7K-F348XP-25= Nexus 7000 F3-Series 48 Port 10GbE (SFP+).</p> <p>This amends Item 1.1 of Section VII. Technical Specifications.</p> <p>b) No.</p>
3	<p>Will you be requiring more ports for transceivers?</p>	<p>No.</p>
4	<p>Is there any type of patch cord preferred and how many are required?</p>	<p>Patch Cord shall be 6 x Multimode Fiber cable with LC-LC connector (at least OM3).</p> <p>This amends Section VII. Technical Specification.</p>

**B. RESPONSE TO WRITTEN QUERIES/CLARIFICATIONS
TRENDS AND TECHNOLOGIES, INC.**

QUERIES/CLARIFICATIONS	SSS RESPONSE
<p>1. Page 30 Item 5.4 For this purpose, similar contracts shall refer to Supply, Delivery and Installation into Operational State of Network Equipment 10G Modules to Upgrade the Existing Core Switches (Cisco Nexus 7009).</p> <p>- <i>As option, can you consider supply, delivery and installation of Nexus Core Switch equipment?</i></p>	<p>Similar contracts shall refer to Installation and Implementation of any Network Core Switch, including Nexus.</p> <p>This amends Section III. Bid Data Sheet, ITB Clause 5.4.</p>
<p>2. Page 55 Section VI Schedule of Requirements, Item 2, 2 Years Warranty</p> <p><i>The Nexus modules standard warranty is three (3) months only and if this will be installed on the existing Nexus 7009, the new warranty of the proposed modules will be co terminus with the existing Nexus 7009. Can we propose 1 year warranty on top of the remaining warranty of your nexus 7009 to fit in to the ABC?</i></p>	<p>No. We maintain our requirement.</p>
<p>3. Page 55 Section VI Schedule of Requirements Item 4 and Page 56 Item 4.1</p> <p>Comprehensive training for forty (40) hours on system configuration, installation and maintenance, basic routing (OSPF & EIGRP) and switching. – 2 pax</p> <p><i>Since the project involves switching technology only, can you consider 2 day knowledge transfer training for switching only instead of the forty (40) hours system configuration, installation and maintenance, basic routing (OSPF & EIGRP) and switching?</i></p>	<p>The following shall be our training requirements:</p> <p>Comprehensive Training – 16 hours for 5 pax</p> <p>This amends Section VI. Schedule of Requirements and Section VII. Technical Specifications.</p>

<p>4. Page 55 Section VI Schedule of Requirements Item 1 Within forty-five (45) calendar days upon receipt of Notice To Proceed</p> <p><i>Standard delivery of Cisco is 45 Days upon ordering and recently Cisco encounter manufacturer material constraints. With this, kindly extend this supply, delivery and installation deadline to 60 days?</i></p>	<p>Delivery period shall be "Within sixty (60) calendar days upon receipt of Notice to Proceed".</p> <p>This amends Section VI. Schedule of Requirements.</p>
