UNEMPLOYMENT BENEFIT PROCESS QMS**

QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:

	Query/Clarifications	TWG/BAC Reply
1	Clarification from the terms of reference under Section 6 Item number 5: Do we still need to submit the eligibility requirements?	No need to submit since it was already checked and evaluated.
2	Clarification if this project is intended only for SSS Main Office?	The scope of certification is system-wide for the Unemployment Benefit Process but the verification, validation and examination will be conducted at Main Office since the process is done online and can be accessed virtually.
