## DECLARATION OF POLICY

"It is the policy of the State to establish, develop, promote and perfect a sound and viable tax-exempt social security system suitable to the needs of the people throughout the Philippines which shall promote social justice and provide meaningful protection to members and their families against the hazards of disability, sickness, maternity, old age, death and other contingencies resulting in loss of income or financial burden. Toward this end, the State shall endeavor to extend social security protection to workers and their beneficiaries." (Section 2, RA 8282)

## STATEMENT OF MISSION

To manage a sound and viable social security system which shall promote social justice and provide meaningful protection to members and their families against the hazards of disability, sickness, maternity, old age, death and other contingencies resulting in loss of income or financial burden.

## STATEMENT OF VISION

A viable social security institution providing universal and equitable social protection through world-class service.
