SSS Victorias- Purchase Request dated August 30, 2022 received by LBAC dated 9/7/2022 with PR # 2022-200 APP Details (APP 3rd Updates July 2022; MRTE Gasoline/Diesel; NP 53.9 Small Value Procurement)

#### Terms of Reference:

- "1. Prices for procurement during refueling/delivery shall be using the Retail Pump Price or the price of petroleum diesel fuel per liter, as established by the retailers, dealers, or gas stations for the day.
2. For and in consideration of the performance and accomplishment of the procurement of fuel and due to the fast changing/erratic fuel price fluctuations, the maximum allowable amount of fuel purchase for the duration is pegged/dependent/bared on the ABC and/or must be within the Contract Price.
3. Deliveries/Refueling shall be on staggered basis for the duration of the contract. For every delivery/refueling the SSS shall present the Fuel Purchase Request to gasoline station that will be the basis for the issuance of fuel to the corresponding vehicle based on the total amount on the request. No Fuel Purchase Request, No serving of fuel.
4. SSS will determine the allowable unit/volume that may still be ordered to the gasoline station from the remaining amount allotted for the petroleum product based on the contract price. The SSS shall be allowed to make adjustment in the units/volume to be delivered/refueled to conform with the remaining amount in the contract price.
5. Payment shall be made monthly upon the submission of the gasoline station the complete billing statement with corresponding supporting delivery receipt/invoice and the fuel purchase request.
6. During the contract implementation, if the total contract amount for the project would have been consumed notwithstanding that the requirements were not fully consumed or delivered in the units/volume contemplated, no further order or refueling shall be made and served.
7. For staggered deliveries, the end- user shall make, after every delivery, an accounting of the amount payable based on the date of the delivery receipt to determine the allowable unit/volume that may be ordered from the remaining amount allotted for the fuel product. The procuring entity shall be allowed to adjust in the units/volume of petroleum to be delivered/refueled to conform to the remaining amount in the total contract price. Fuel purchase request shall be issued for every delivery or refueling of diesel fuel."
