# ALAN GENE O. PADILLA

VICE PRESIDENT
Application Systems Division
Social Security System (SSS)
920-6401 loc. 5618
924-7855

BRIEF DESCRIPTION OF FUNCTION

Within the guidelines and limits of authority established by policies of the Social Security System (SSS) and relevant government regulations, the Division Head, Application Systems of ITMG is responsible for planning, organizing, directing, coordinating, and controlling the activities of the Division to achieve established objectives and targets.

The Applications Division is primarily responsible for ensuring the efficient design, development, implementation and maintenance of computerized application systems supporting the Branch Operations Sector functions, Investments and Finance Sector functions, and the Corporate Services Sector functions.

MAJOR ACHIEVEMENTS

Managed the development and maintenance of computerized application systems. These application systems are instrumental in the effective and efficient delivery of SSS services.
