

PROJECT: NETWORK CABLING MATERIALS AND VOICE COMMUNICATION TOOLS

QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:

	Query/Clarifications	TWG/BAC Reply
1	In regards with the plastic molding, your specification requires three (3) meters in length. I believe there is no available three (3) meters in length for that item	The 2.44 meters length of the plastic molding is acceptable. This amends the Section VII Technical Specification
2	Regarding the RJ 45 connector, it is pass through or not?	Our requirement is the standard RJ 45 connector not the Pass Through
3	Just for clarification, your Scope of Work is only supply and delivery? No installation	Yes, supply and delivery only. Yes, no installation.
4	In regard to the delivery, will it be delivered on single location or multiple locations?	Single delivery only and that will be in the Main Office.
5	Regarding the pre-screening, is it okay if we will not submit the documents for this process?	Yes, Pre-Screening is not mandatory.
6	With regards to the list of ongoing, is there a need to attach a supporting document?	No supporting document is required, just a list of ongoing contracts.
7	Regarding the SLCC, does it need to be exactly the same as per PO?	Similar contract should be any supply and delivery of network cabling materials and/or voice communications tools.
8	Regarding the sample, do you have specific requirement on how to attach it in the bid documents?	Sample should have proper identification and it should be included in Envelope #1, Eligibility and Technical Envelope.
