i. When a Treaty or International or Executive Agreement as provided in Section 4 of the RA No. 9184 and its 2016 revised IRR allow foreign bidders to participate;

ii. Citizens, corporations, or associations of a country, included in the list issued by the GPPB, the laws or regulations of which grant reciprocal rights or privileges to citizens, corporations, or associations of the Philippines;

iii. When the Goods sought to be procured are not available from local suppliers; or

iv. When there is a need to prevent situations that defeat competition or restrain trade.

b. Foreign ownership limited to those allowed under the rules may participate in this Project.

5.3. Pursuant to Section 23.4.1.3 of the 2016 revised IRR of RA No.9184, the Bidder shall have an SLCC that is at least one (1) contract similar to the Project the value of which, adjusted to current prices using the PSA's CPI, must be at least equivalent to:

a. The Bidder must have completed a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC.

5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.1 of the 2016 IRR of RA No. 9184.

6. Origin of Goods

There is no restriction on the origin of goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN, subject to Domestic Preference requirements under **ITB** Clause 18.

7. Subcontracts

7.1. The Procuring Entity has prescribed that Subcontracting is not allowed.

8. Pre-Bid Conference

The Procuring Entity will hold a pre-bid conference for this Project on the specified date and time and either at its physical address **Bidding Room, 2nd Floor, SSS Main Bldg., East Avenue, Diliman, Quezon City and/or through online conference using Microsoft Teams** as indicated in paragraph 6 of the **IB.**

9. Clarification and Amendment of Bidding Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents comprising the Bid: Eligibility and Technical Components

10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.

10.2. The Bidder's SLCC as indicated in **ITB** Clause 5.3 should have been completed within ***the last five (5) years*** prior to the deadline for the submission and receipt of bids.

10.3. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. Similar to the required authentication above, for Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.

11. Documents comprising the Bid: Financial Component

11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section VIII (Checklist of Technical and Financial Documents)**.

11.2. If the Bidder claims preference as a Domestic Bidder or Domestic Entity, a certification issued by DTI shall be provided by the Bidder in accordance with Section 43.1.3 of the 2016 revised IRR of RA No. 9184.

11.3. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.

11.4. For Foreign-funded Procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

12. Bid Prices

12.1. Prices indicated on the Price Schedule shall be entered separately in the following manner:

a. For Goods offered from within the Procuring Entity's country:

i. The price of the Goods quoted EXW (ex-works, ex-factory, ex-warehouse, ex-showroom, or off-the-shelf, as applicable);

ii. The cost of all customs duties and sales and other taxes already paid or payable;

iii. The cost of transportation, insurance, and other costs incidental to delivery of the Goods to their final destination; and

iv. The price of other (incidental) services, if any, listed in the **BDS**.

b. For Goods offered from abroad:

i. Unless otherwise stated in the **BDS**, the price of the Goods shall be quoted delivered duty paid (DDP) with the place of destination in the Philippines as specified in the **BDS**. In quoting the price, the Bidder shall be free to use transportation through carriers registered in any eligible country. Similarly, the Bidder may obtain insurance services from any eligible source country.

ii. The price of other (incidental) services, if any, as listed in the **BDS.**

13. Bid and Payment Currencies

13.1. For Goods that the Bidder will supply from outside the Philippines, the bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies, shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

13.2. Payment of the contract price shall be made in Philippine Pesos.

14. Bid Security

14.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.

14.2. The Bid and bid security shall be valid for ***One Hundred Twenty (120) Calendar Days from the Date of the Bid Opening.*** Any Bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

15. Sealing and Marking of Bids

Each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

16. Deadline for Submission of Bids

16.1. The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the **IB.**

17. Opening and Preliminary Examination of Bids

17.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 7 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

17.2. The preliminary examination of bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

18. Domestic Preference

18.1. The Procuring Entity will grant a margin of preference for the purpose of comparison of Bids in accordance with Section 43.1.2 of the 2016 revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

19.1. The Procuring BAC shall immediately conduct a detailed evaluation of all Bids rated "*passed*," using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of the 2016 revised IRR of RA No. 9184.

19.2. If the Project allows partial bids, bidders may submit a proposal on any of the lots or items, and evaluation will be undertaken on a per lot or item basis, as the case maybe. In this case, the Bid Security as required by **ITB** Clause 14 shall be submitted for each lot or item separately.

19.3. The descriptions of the lots or items shall be indicated in **Section VII (Technical Specifications)**, although the ABCs of these lots or items are indicated in the **BDS** for purposes of the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184. The NFCC must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder.

19.4. The Project shall be awarded as follows:

One Project having several items that shall be awarded as one contract.

19.5. Except for bidders submitting a committed Line of Credit from a Universal or Commercial Bank in lieu of its NFCC computation, all Bids must include the NFCC computation pursuant to Section 23.4.1.4 of the 2016 revised IRR of RA No. 9184, which must be sufficient for the total of the ABCs for all the lots or items participated in by the prospective Bidder. For bidders submitting the committed Line of Credit, it must be at least equal to ten percent (10%) of the ABCs for all the lots or items participated in by the prospective Bidder.

1	**Scope of Works – General Conditions** 1. The supplier is required to conduct site inspection together with the building maintenance and EFMD Engineer or SSS representative to determine the nature and extent of necessary works, materials, and services and considered as essential and incidental requirement in the implementation of the project. 2. The contractor shall be responsible for the thorough coordination with the concern parties and secure of all necessary work permits that maybe required of the project. 3. All works shall be properly coordinated with the building owner or SSS representative to discuss all phases of the works/ activities. 4. The supplier is required to submit brochures with technical specifications and data sheets of mechanical and electrical equipment for approval of SSS representative prior to delivery and installation on site. 5. The contractor shall be required to provide all equipment, tools and other necessary materials for the proper execution of the project. 6. The contractor shall submit detailed shop drawings for approval of SSS before the installation of equipment. 7. Provision/ installation of safety signages, dust barriers, board-ups, floor coverings and other safety requirements for the protection of SSS personnel and clients, properties, Contractor's personnel, etc. at the work site and other affected areas. 8. All areas affected during implementation of the project by chipping/boring, dismantling works and other related activities shall be restored to original condition at the owner's satisfaction at no additional cost to the SSS. 9. Site house cleaning and demobilization of workforce and equipment. 10. Basic training to be conducted by the contractor on standard maintenance and operation of the newly installed generator set for the SSS maintenance personnel's including issuance of training certificates. 11. Secure all necessary government permits. All permits and electrical fees and other necessary documents required in this work shall be obtained by and at the expense of the contractor. 12. Preparation and submission of three (3) sets shop drawings and blueprint as-built plans in standard size (20inx30in) duly signed and sealed by the professional practitioners (Electrical/ Mechanical Engineer). 13. During the two (2) year warranty period, the parts/components and other consumables shall be replaced by the contractor when needed at no additional cost to SSS. 14. Only the winning bidder to submit product brochures or technical data sheets of materials under this section to be approved during project implementation.

GCC Clause	
	Mechanical Works 1. The contractor shall be responsible for the supply, delivery and installation of the stair pressurization equipment for fire exits 1 and 2 inclusive of all applicable importation and local charges, taxes, custom duties, freights, storage fees, applicable clearances and all other essential and incidental services for the successful delivery and installation of the project. All blowers must be Air Movement and Control Association (AMCA) certified. 2. The contractor shall be responsible for the mechanical plans to be implemented of the stair pressurization system for SSS Main Building with design computations compliant with Bureau of Fire Department (BFP) requirements and other applicable standards to be implemented must be signed and sealed by a Professional Mechanical Engineer. 3. Provision of labor, engineering supervision, skilled and experienced installers, technicians, instrumentation, tools, supply of materials and equipment to implement the listed scope of the project. 4. Provision of scaffoldings, ladders, and other safety equipment to be assembled and disassembled inside the working area. 5. Flexible connections shall be provided between ductwork and equipment to which they are connected to prevent the transmission of vibration. Material to be used shall be neoprene treated close weave airtight canvass cloth. The necessary angles, bolts, clips and other fastenings for securing the flexible material to the equipment and duct shall be provided. 6. Blowers shall be installed with vibration isolators and shall be mounted to the slab soffit of the fire exits. A total of eleven (11) blowers to be installed in the system. The floor location of the blowers to be installed are as follows: a. Fire Exit 1 (East side of the building)- 2nd, 4th, 6th, 8th, 10th, 12th (6 Units) b. Fire Exit 2 (West side of the building)- 4th, 6th, 8th, 10th, 12th (5 units) 7. Flexible connections shall be installed from the inlet grills to the blower to prevent vibrations of the blower from damaging the windows and window frame. 8. For the inlet of blowers, glass windows shall be carefully cut to provide opening for the blowers. If the opening will extend through the window frames, the frames shall be cut and shall be restored with reinforcement. 9. The glass of the windows and framing shall be restored in a way that matches the existing windows. Restored window glass shall be weatherproof. 10. Inlet grills to be mounted to the exterior of the building and shall be weatherproof. The blower outlet shall be installed with a protective screen or grill. 11. Galvanize Iron (GI) sheets for ducting works shall be gauge 20. Ducting shall be painted to a preferred shade by SSS. 12. Calibration, Testing and Commissioning of the newly installed and supplied equipment. 13. Supply and installation of pressure differential sensors at the midpoint of the stair pressurization system or at the specified location recommended by the PME.

GCC Clause	
	14. Supply and installation of automatic pressure relief dampers to be located at the roof deck of the building. See ANNEX A for reference. 15. Pressure relief dampers shall be controlled by a modulating damper actuator and pressure differential switch. System shall be set to maintain a minimum 0.05 inches of water gauge (in. w.g.) pressure difference across smoke barriers. (as per NFPA 92) 16. All fire exit doors shall be set to be opened at 20 lbs. (maximum) when the stair pressurization is under operation. **Electrical Works** 1. All electrical works shall comply with the plan and specification in accordance with the latest edition of the Philippine Electrical Code (PEC). 2. The service provider/ contractor is required to conduct site inspection together with the Building Maintenance and EFMD Engineer or SSS representative to determine the nature and extent of necessary works, materials, and services and considered as essential and incidental requirement in the implementation of the project. Please see ANNEX A attached for reference. 3. The contractor shall be responsible for thorough coordination with the concern parties and, secure of all necessary permits and clearances from local and other concerned regulating government agencies. 4. All work shall be properly coordinated with the Building Owner or SSS representative to discuss all phases of the works/ activities. 5. Provision of all necessary wiring system and circuit protections to all new supplied equipment/facilities in accordance with the respective applicable standards and compliance to the Philippine Electrical codes. Please see ANNEX A attached for reference. 6. Supply and install of new feeder line wiring and roughing-in layout materials complete with essential wiring system, standard accessories, and rigidly secured with appropriate fittings using suitable materials. Equipment control panels and tapping point of electrical supply to be installed will be a location to be agreed by the Supplier and SSS Representative. 7. Installation of the standard electrical requirement to include circuit breakers, conduits, and fittings, THWN/THHN-2, or its approved equivalent, TF Wires/control wires, supports and hangers and all other essential accessories needed to complete and make the project fully functional and safe to operate. Proper marking to the circuits must be provided. 8. Equipment to be installed shall be compliant with building electrical supply; 480VAC for 3 phase, 230VAC for 1 phase. Same voltage applies for backup power. 9. All motor starters shall be of the magnetic type complete with overload and relays manufactured in accordance with National Electrical Manufacturer's Association (NEMA) Standards. 10. Thermal overload relays shall have adjustable calibrated scales, manual resetting action and manual trip levers for convenience in carrying out inspections and sequence checks.

GCC Clause	
	11. Enclosures for controllers installed shall be of weatherproof construction (NEMA 3R). 12. Equipment control panel shall be tapped to both normal supply and backup supply. 13. Supply and installation of new electrical wiring materials of roughing-in conduits for control panel and ECB including the following: a. Feeder lines, sub-feeder lines, gutter and boxes b. Roughing-in conduits for lighting and power circuits w/ supports and hangers 14. Supply and installation of grounding system including its standard accessories that is necessary for the completion of the project. 15. Electrical panels/enclosures, conduits, cable trays and boxes shall be installed with appropriate supports and fittings and shall be rigidly secured using appropriate materials. Panel directory shall be properly labeled. 16. Retrofitting, and reconfigurations of the existing electrical supply to adopt with the new system and provide all essential components and accessories needed to complete the sets of control system and make safely functional in accordance with engineering practices and standards. 17. Interfacing of stair pressurization controls to existing FDAS. Supply and installation of additional FDAS module if necessary. 18. Supply and installation of lighting fixtures (IP65, T8 LED) with switches for the new fire exit enclosures. **Testing and Commissioning** 1. The supplier shall follow the testing and commissioning of the equipment in accordance with the guidelines and procedures prescribed by the manufacturer. 2. Upon completion of installation and when the system is ready for operation, a competent and experienced engineer to be furnished by the Contractor shall conduct capacity and general tests. These tests shall demonstrate the specified capacities of the equipment. 3. All instruments to be used shall be of the Industrial Grade, recently calibrated and of the proper type to suit the type of system being tested and balanced. 4. The supplier shall ensure the following data/parameters are monitored and are within the acceptable range as per manufacture's recommendation: • Input voltage • Starting current • Running current • Air flow rate • Motor RPM 5. The supplier shall conduct megger testing in all wiring installed. 6. Simulation of the automatic operation of stair pressurization system. a. Notify SSS Representatives before conduction of testing. SSS to notify employees and building personnel to prevent all fire exit doors being opened during testing. b. Record all data being gathered. c. Close all doors and window openings of the staircase before the conduction of testing.

GCC Clause	
	d. Verify if all the fire exit doors door closer and panic devices are operational. e. Conduct smoke simulation to trigger the FDAS and check if all the blowers will be operational. f. If the FDAS alarm is on, check the blowers if already operational. g. During testing, set the blowers in manual operation. h. Check the pressure reading of the pressure differential sensors. Minimum pressure to be maintained should be 0.05 in. w.g. when all the fire exit doors are closed. Check the operation of the pressure relief dampers. Adjust the pressure relief dampers if necessary. i. Measure the weight of each fire exit door while opening. Force should not exceed 20 pounds. Adjust the door closers if necessary. **Civil and Architectural Works** 1. The contractor shall be responsible for the supply, delivery and installation of the fire exit enclosures of fire exit 1 and fire exit 2 to be constructed at SSS Main Building roof deck. 2. Site preparation for the installation of rebar prior to the construction of columns and beams of the fire exit enclosure. 3. Supply and installation of board up/ site enclosure 4. Chipping of existing roof deck zocalo/ preparation for waterproofing and concreting of fire exit enclosure extension. 5. Supply and installation structural grout for new and old structure bonding. 6. Supply and installation of 100mm thick CHB perimeter walls proposed structure with interior and exterior plastering with 10mm diameter reinforcing bars Grade 40 spaced at 400mm vertical and 3 layers of CHB horizontal reinforcement. 7. Installation of stiffener columns and lintel beam at front side of wall. 8. Installation of reinforced concrete deck roof with plastering on slab soffit. 9. Installation of waterproofing at concrete deck a. 1st layer – rough concrete finish b. 2nd layer – 3 coats cementitious waterproofing c. 3rd layer – concrete topping (at least 1 inch) d. 4th layer – 3 coats cementitious waterproofing e. 5th layer – 2 coats elastomeric paint finish 10. Painting works a. Interior walls: 1 coat of primer paint, 2 coats of semi-gloss latex paint (color to be determined during implementation) b. Exterior walls: 1 coat of primer paint, 2 coats of elastomeric paint (color to be determined during implementation) 11. Doors a. Door opening: 1200mm x 2100mm b. Steel door panel (Ga. 16 Steel, 3 hours fire rated) with door jams (Ga. 18 Steel) panic bar and door closer, with door knob at exterior 12. Installation of outdoor acrylic signage with cut out vinyl sticker with aluminum bolts for mounting. FIRE EXIT (650mm width x 150mm length) 13. Sealing of windows at fire exits 1 and 2 if necessary.

GCC Clause	
	14. Provide sealant on the interior and exterior joints of the wall and slab using polyurethane type sealant. **Delivery and Documents –** For purposes of the Contract, "EXW," "FOB," "FCA," "CIF," "CIP," "DDP" and other trade terms used to describe the obligations of the parties shall have the meanings assigned to them by the current edition of INCOTERMS published by the International Chamber of Commerce, Paris. The Delivery terms of this Contract shall be as follows: The delivery terms applicable to this Contract are delivered at SSS Main Building, East Avenue, Diliman, Quezon City. Risk and title will pass from the Supplier to the Procuring Entity upon receipt and final acceptance of the Goods at their final destination. Delivery of the Goods shall be made by the Supplier in accordance with the terms specified in Section VI (Schedule of Requirements). For purposes of this Clause, the Procuring Entity's Representative at the Project Site is **Concurrent Acting Head of the Engineering and Facilities Management Department, Engr. Wendelino V. Comboy Jr**. **Incidental Services –** The Supplier is required to provide all of the following services, including additional services, if any, specified in Section VI. Schedule of Requirements: a. performance or supervision of on-site assembly and/or start-up of the supplied Goods; b. furnishing of tools required for assembly and/or maintenance of the supplied Goods; c. furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods; d. performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty obligations under this Contract; and e. training of the Procuring Entity's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods. f. Other additional incidental service requirements, as needed. The Contract price for the Goods shall include the prices charged by the Supplier for incidental services and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services. **Spare Parts –** The Supplier is required to provide all of the following materials, notifications, and information pertaining to spare parts manufactured or distributed by the Supplier: Select appropriate requirements and delete the rest. 1. such spare parts as the Procuring Entity may elect to purchase from the Supplier, provided that this election shall not relieve the Supplier of any warranty obligations under this Contract; and

GCC Clause	
	2. in the event of termination of production of the spare parts: i. advance notification to the Procuring Entity of the pending termination, in sufficient time to permit the Procuring Entity to procure needed requirements; and ii. following such termination, furnishing at no cost to the Procuring Entity, the blueprints, drawings, and specifications of the spare parts, if requested. The spare parts and other components required are listed in **Section VI (Schedule of Requirements)** and the costs thereof are included in the contract price. The Supplier shall carry sufficient inventories to assure ex-stock supply of consumable spare parts or components for the Goods for a period of one (1) year. Spare parts or components shall be supplied as promptly as possible, but in any case, within one (1) month of placing the order. **Packaging –** The Supplier shall provide such packaging of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in this Contract. The packaging shall be sufficient to withstand, without limitation, rough handling during transit and exposure to extreme temperatures, salt and precipitation during transit, and open storage. Packaging case size and weights shall take into consideration, where appropriate, the remoteness of the Goods' final destination and the absence of heavy handling facilities at all points in transit. The packaging, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified below, and in any subsequent instructions ordered by the Procuring Entity. The outer packaging must be clearly marked on at least four (4) sides as follows: Name of the Procuring Entity Name of the Supplier Contract Description Final Destination Gross weight Any special lifting instructions Any special handling instructions Any relevant HAZCHEM classifications A packaging list identifying the contents and quantities of the package is to be placed on an accessible point of the outer packaging if practical. If not practical the packaging list is to be placed inside the outer packaging but outside the secondary packaging. **Transportation –** Where the Supplier is required under Contract to deliver the Goods CIF, CIP, or DDP, transport of the Goods to the port of destination or such other named place of destination in the Philippines, as shall be specified in this Contract, shall be arranged and paid for by the Supplier, and the cost thereof shall be included in the Contract Price.

GCC Clause	
	Where the Supplier is required under this Contract to transport the Goods to a specified place of destination within the Philippines, defined as the Project Site, transport to such place of destination in the Philippines, including insurance and storage, as shall be specified in this Contract, shall be arranged by the Supplier, and related costs shall be included in the contract price. Where the Supplier is required under Contract to deliver the Goods CIF, CIP or DDP, Goods are to be transported on carriers of Philippine registry. In the event that no carrier of Philippine registry is available, Goods may be shipped by a carrier which is not of Philippine registry provided that the Supplier obtains and presents to the Procuring Entity certification to this effect from the nearest Philippine consulate to the port of dispatch. In the event that carriers of Philippine registry are available but their schedule delays the Supplier in its performance of this Contract the period from when the Goods were first ready for shipment and the actual date of shipment the period of delay will be considered force majeure. The Procuring Entity accepts no liability for the damage of Goods during transit other than those prescribed by INCOTERMS for DDP deliveries. In the case of Goods supplied from within the Philippines or supplied by domestic Suppliers risk and title will not be deemed to have passed to the Procuring Entity until their receipt and final acceptance at the final destination. **Intellectual Property Rights –** The Supplier shall indemnify the Procuring Entity against all third-party claims of infringement of patent, trademark, or industrial design rights arising from use of the Goods or any part thereof.
2.2	One-time payment after completion and final acceptance of EFMD. Payment shall be credited to the LANDBANK or DBP or any choice of bank account subject to applicable bank charges of the winning bidder. The payment shall be subject to retention of Withholding Tax and other applicable taxes in accordance with existing Laws and BIR Rules and Regulations, to be remitted directly to the BIR by the SSS. Payment using Letter of Credit is not allowed.
4	The inspections and tests that will be conducted during implementation are as follows: The performance data of the completely delivered, installed and fully functional stair pressurization system and other related works must be inspected and tested. Perform the necessary adjustments and calibrations of the stair pressurization system to set the tolerance within the allowable and acceptable limits and in accordance with the Bureau of Fire Protection (BFP) and National Fire Protection Association (NFPA) requirements. All tests shall be witnessed by SSS authorized representative/s.
5.1	Two (2) years warranty period, the parts/components and other consumables shall be replaced by the contractor when needed at no additional cost to SSS.

GCC Clause	
6	**Liability of the Supplier** 1. CONFIDENTIALITY. Neither party shall, without the prior written consent of the other, disclose or make available to any person, make public, or use directly or indirectly, except for the performance and implementation of the works, any confidential information, acquired from an information holder in connection with the performance of this Contract, unless: (i) the information is known to the disclosing party, as evidenced by its written records, prior to obtaining the same from the information holder and is not otherwise subject to disclosure restrictions on the disclosing party, (ii) the information is disclosed to the disclosing party by a third party who did not receive the same, directly or indirectly, from an information holder, and who has no obligation of secrecy with respect thereto, or (iii) required to be disclosed by law. The obligation of confidentiality by both parties, as provided herein, shall survive the termination of the Agreement. 2. MERGER AND CONSOLIDATION. In case of merger, consolidation or change of ownership of the SUPPLIER with other company, it is the responsibility of the surviving company/consolidated company/acquiring entity to inform SSS of the change in corporate structure/ownership. Failure to do so shall translate in such company assuming all liabilities of the acquired/merged company under the Agreement. 3. FORCE MAJEURE. SUPPLIER shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that SUPPLIER's delay in performance or other failure to perform its obligations under this Agreement is the result of a force majeure. For purposes of this Agreement the terms "force majeure" and "fortuitous event" may be used interchangeably. In this regard, a fortuitous event or force majeure shall be interpreted to mean an event which SUPPLIER could not have foreseen, or which though foreseen, was inevitable. It shall not include ordinary unfavorable weather conditions; and any other cause the effects of which could have been avoided with the exercise of reasonable diligence by SUPPLIER. Such events may include, but not limited to, acts of SSS in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes. If a force majeure situation arises, SUPPLIER shall promptly notify SSS in writing of such condition and the cause thereof. Unless otherwise directed by SSS in writing, SUPPLIER shall continue to perform its obligations under this Agreement as far as is reasonably practical and shall seek all reasonable alternative means for performance not prevented by the force majeure. 4. NON-ASSIGNMENT. SUPPLIER shall not assign its rights or obligations under this Agreement, in whole or in part, except with SSS's prior written consent. SUPPLIER shall not subcontract in whole or in part the PROJECT and deliverables subject of this Agreement without the written consent of SSS.

GCC Clause	
	5. WAIVER. Failure by either party to insist upon the other strict performance of any of the terms and conditions hereof shall not be deemed a relinquishment or waiver of any subsequent breach or default of the terms and conditions hereof, which can only be deemed made if expressed in writing and signed by its duly authorized representative. No such waiver shall be construed as modification of any of the provisions of the Agreement or as a waiver of any past or future default or breach hereof, except as expressly stated in such waiver. 6. CUMULATIVE REMEDIES. Any and all remedies granted to the parties under the applicable laws and the Contract shall be deemed cumulative and may therefore, at the sole option and discretion, be availed of by the aggrieved party simultaneously, successively, or independently. 7. NO EMPLOYER-EMPLOYEE RELATIONSHIP. It is expressly and manifestly understood and agreed upon that the employees of SUPPLIER assigned to perform the PROJECT are not employees of SSS. Neither is there an employer-employee relationship between SSS and SUPPLIER. The Agreement does not create an employer-employee relationship between SSS and the SUPPLIER including its personnel; that the services rendered by the personnel assigned by SUPPLIER to SSS in the performance of its obligation under the contract do not represent government service and will not be credited as such; that its personnel assigned to SSS are not entitled to benefits enjoyed by SSS' officials and employees such as Personal Economic Relief Allowance (PERA), Representation and Transportation Allowance (RATA), ACA, etc.; that these personnel are not related within the third degree of consanguinity or affinity to the contracting officer and appointing authority of SSS; that they have not been previously dismissed from the government service by reason of an administrative case; that they have not reached the compulsory retirement age of sixty-five (65); and that they possess the education, experience and skills required to perform the job. The SUPPLIER hereby acknowledges that no authority has been given by SSS to hire any person as an employee of the latter. Any instruction given by SSS or any of its personnel to SUPPLIER's employees are to be construed merely as a measure taken by the former to ensure and enhance the quality of project performed hereunder. The SUPPLIER shall, at all times, exercise supervision and control over its employees in the performance of its obligations under the contract. 8. PARTNERSHIP. Nothing in the contract shall constitute a partnership between the parties. No party or its agents or employees shall be deemed to be the agent, employee or representative of any other party. 9. COMPLIANCE WITH SS LAW. SUPPLIER shall report all its employees to SSS for coverage and their contributions, as well as, all amortizations for salary/education/calamity and other SSS loans shall be updated. Should SUPPLIER fail to comply with its obligations under the provisions of the SS Law and Employees' Compensation Act, SSS shall have the authority to deduct any unpaid SS and EC contributions, salary, educational, emergency and/or calamity loan amortizations, employer's liability for damages, including interests and penalties from SUPPLIER's receivables under this Agreement. Further, prescription does not run against SSS for its failure to demand SS contributions or payments from SUPPLIER. Moreover, SUPPLIER shall forever hold in trust SS contributions or payments of its employees until the same is fully remitted to SSS.

GCC Clause	
	10. COMPLIANCE WITH LABOR LAWS. SUPPLIER, as employer of the personnel assigned to undertake the PROJECT, shall comply with all its obligations under existing laws and their implementing rules and regulations on the payment of minimum wage, overtime pay, and other labor-related benefits as well as remittances or payment of the appropriate amount or contributions/payment (SSS, EC, Pag-IBIG, PhilHealth and taxes) with concerned government agencies/offices. It is agreed further, that prior to the release of any payment by SSS to SUPPLIER, its President or its duly authorized representative, shall submit a sworn statement that all monies due to all its employees assigned to the PROJECT as well as benefits by law and other related labor legislation have been paid by SUPPLIER and that he/she assumed full responsibility thereof. 11. COMPLIANCE WITH TAX LAWS. SUPPLIER shall, in compliance with tax laws, pay the applicable taxes in full and on time and shall regularly present to SSS within the duration of the Contract, tax clearance from the Bureau of Internal Revenue (BIR) as well as copy of its income and business tax returns duly stamped by the BIR and duly validated with the tax payments made thereon. Failure by SUPPLIER to comply with the foregoing shall entitle SSS to suspend payment of the Contract Price. As required under Executive Order (EO) 398, s. 2005, SUPPLIER shall submit income and business tax returns duly stamped and received by the BIR, before entering and during the duration of this Agreement. SUPPLIER, through its responsible officer, shall also certify under oath that it is free and clear of all tax liabilities to the government. SUPPLIER shall pay taxes in full and on time and that failure to do so will entitle SSS to suspend or terminate this Agreement. 12. LIQUIDATED DAMAGES. If SUPPLIER fails to satisfactorily deliver any or all of the Goods and/or to perform the Services within the period(s) specified in the PBD inclusive of duly granted time extensions if any, SSS shall, without prejudice to its other remedies under this Agreement and under the applicable law, deduct from the Contract Price, as liquidated damages, the applicable rate of one tenth (1/10) of one (1) percent of the cost of the unperformed portion for every day of delay until actual delivery or performance. Once the amount of liquidated damages reaches ten percent (10%), SSS may rescind or terminate this Agreement, without prejudice to other courses of action and remedies open to it. 13. HOLD FREE and HARMLESS. SUPPLIER agrees to defend, indemnify, and hold SSS free and harmless from any and all claims, damages, expenses, fines, penalties and/or liabilities of whatever nature and kind, whether in law or equity, that may arise by reason of the implementation of the Agreement. In addition, SUPPLIER agrees to indemnify SSS for any damage as a result of said implementation. SUPPLIER hereby assumes full responsibility for any injury, including death, loss or damage which may be caused to SSS' employees or property or third person due to SUPPLIER's employees' fault or negligence, and further binds itself to hold SSS free and harmless from any of such injury or damage. SSS shall not be responsible for any injury, loss or damage which SUPPLIER or any of its employees may sustain in the performance of SUPPLIER's obligations under this Agreement.

GCC Clause	
	14. SETTLEMENT OF DISPUTES. If any dispute or difference of any kind whatsoever shall arise between SSS and SUPPLIER in connection with or arising out of this Agreement, the Parties shall make every effort to resolve amicably such dispute or difference by mutual consultation. If after thirty (30) days, the Parties have failed to resolve their dispute or difference by such mutual consultation, then either SSS or SUPPLIER may give notice to the other Party of its intention to commence arbitration, in accordance with RA No. 876, otherwise known as the "Arbitration Law" and RA No. 9285, otherwise known as the "Alternative Dispute Resolution Act of 2004," in order to settle their disputes. No arbitration in respect of this matter may be commenced unless such notice is given. Notwithstanding any reference to arbitration herein, the Parties shall continue to perform their respective obligations under this Agreement unless they otherwise agree. 15. VENUE OF ACTIONS. In the event court action is necessary in order to promote Arbitration, such action shall be filed only before the proper courts of Quezon City, to the exclusion of all other venues. 16. GOVERNING LAW. The Agreement shall be governed by and interpreted according to the laws of the Republic of the Philippines. 17. AMENDMENTS. This Agreement may be amended only in writing and executed by the parties or their duly authorized representatives. 18. SEPARABILITY. If any one or more of the provisions contained in the contract or any document executed in connection herewith shall be invalid, illegal or unenforceable in any respect under any applicable law, then: (i) the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired and shall remain in full force and effect; and (ii) the invalid, illegal or unenforceable provision shall be replaced by the parties immediately with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of such invalid illegal or unenforceable term of provision. 19. BINDING EFFECT. The Agreement shall be binding upon the Parties hereto, their assignee/s and successor/s-in-interest.

Section VI. Schedule of Requirements

The delivery schedule expressed as weeks/months stipulates hereafter a delivery date which is the date of delivery to the project site.

Item Number	Description	Delivered, Weeks/Months
1	The Supplier shall provide all equipment, management, supervision, labor, machines, tools and facilities necessary for the implementation of the project, stair pressurization system of SSS Main Office Building.	Sixty days (60) calendar days from receipt of Notice to Proceed and Signed Contract
2	Two (2) years warranty	To commence upon completion and acceptance by EFMD.

Item	Specification	Statement of Compliance	Annex
Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.
