

PROJECT: FIRE RATED STEEL DOORS**QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	Query/Clarifications	TWG/BAC Reply
1	On the manner of which the door opens (whether to the left or to the right), will it be clarified now or after the project is awarded?	The new door will have the same orientation as the exiting doors to be replace.
2	We would just like to clarify if in case we win the bid, and that would only be the only time that we can inspect and clarify the door orientation. However, it is noted that the door opening would be the same as before.	Bidders can conduct an inspection prior to the submission and opening of bids.
3	Do we have color preference for the doors?	Preferably Powder-coated Gray
4	Is the dimension indicated in the drawing, is the dimension when the door is open?	The dimension indicated in the drawing, includes door, door jam and door opening
5	Scope of Work Do we carry out removal/dismantling of the doors and installation?	Yes. Under Section V. Special Conditions of Contract and payable item on the Bill of Quantities.
6	Clarification on the bidders' Single Largest Completed Contract is similar to the contract being bid on.	Single Largest Completed Contract (SLCC) similar to the contract being bid. The definition of Similar Contract is indicated in the Bid Data Sheet, Clause 5.3. of the Bidding Documents <ul style="list-style-type: none"> a. Installation of Fire Rated Steel Doors b. Completed within five (5) years prior to the date of submission and receipt of bids, a contract similar to the Project which is equivalent to at least 50% of the ABC.
