

**PROJECT: SUPPLY AND DELIVERY OF SERVICE VEHICLES FOR VARIOUS BRANCHES AND OFFICES**

**QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	<b>Query/Clarifications</b>	<b>TWG/BAC Reply</b>
1	Would you require an SSS Clearance?	It is no longer required. However, if awarded, our Accounting Department will still validate if your records/obligations are still updated.
2	Do we have specific colors?	Yes. It is indicated in the bidding documents.  For the MPVs passenger van, our requirement is silver. For the SUV is black and for the ambulance and delivery truck is white.
3	Technical Specifications, Lot 5 – Delivery Truck  With the displacement of not exceeding 3000 cc and our maximum torque, don't we have at least minimum requirement? Because it seems that there is only one brand that could meet this requirement.	It is indicated in the bidding documents that the torque is at least 354 N-M, which is the minimum requirement.
4	Schedule of Requirements  Can we request leniency in the delivery requirements for the passenger van, 90 days to 180 days and for the ambulance, 60 days to 120 days?  When can we email our queries?	The revised delivery for the following lots shall be:  Lot 3 (Passenger Van) - from 90 to 120 calendars days Lot 4 – ( Ambulance) - from 60 to 90 calendar days  You an e-mail your queries until Monday, 26 June 2023.
5	Will there be changes in the deadline for the submission of bids on June 29, 2:00p.m.?	Submission and Opening of Bids is moved to July 6, 2023.
6	For lot 5, displacement: Is it possible for a 3000 cc as starting?	No. We only require a light delivery truck, and it should not exceed 3000 cc.
7	Regarding the question of 3000 cc, it doesn't seem to match the 354 N-M torque.	For Lot 5- Delivery Truck, the 3000 cc displacement is maximum while the 345 N-M torque is the minimum.
8	How much is the bidding documents for lot 1?	Php20,000.00
9	Clarification: June 29 for the opening of bids?	Opening of Bid is moved to July 6, 2023.
