

**PROJECT: VARIOUS REPAIRS AND RENOVATIONS FOR MAIN OFFICE****QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	<b>Query/Clarifications</b>	<b>TWG/BAC Reply</b>
1	In the scope of work, item 2, it stated "analok aluminum framings", for items 1, 3, 4, 5, it is powder coated finish only, can we clarify this matter?	For items 1, 2, 3, and 4, it is "analok aluminum framings". For item 5, it is top and bottom powder-coated aluminum framings.  This amends Section V. Special Conditions of Contract for Scope of works and Material Specifications, Section VII. Technical Specifications for Glass Doors, Panels, Partitions, Transom and Forms 02 for Bid Breakdown/Bill of Quantities
2	There are ready made aluminum framings, does the contractor only need to submit a sample for approval?	Yes.
3	Are we going to use tubular or open back?  All aluminum frames are tubular?	It is tubular.  Yes.
4	We just finished our Single Largest Completed Contract (SLCC) this August 2023, is it acceptable?	Yes. Provided that the SLCC declared is equivalent to at least 50% of the ABC.
5	If we are to conduct a site inspection, are we required with site inspection certificate?	No. Site inspection certificate is not required but bidders are encouraged to conduct site inspection so they can submit a more precise costing/bid.
6	Contract duration is 90 calendar days, does SSS have restrictions if the contractor will work from daytime to nighttime?	We have specified working hours during daytime, 8am to 5pm, during night shift, 6pm to 3am including weekdays, weekends and holidays.
7	If the contractor receives a notice for award, can the contractor start while waiting for the notice to proceed and contract?	No. The contractor must wait for the notice to proceed and the contract. However, we can set a pre-construction meeting while waiting for the notice to proceed and the contract.
8	Are all offices vacated or some will have to transfer?	This is going to be by schedule. Some are still using the area. But the affected area will be vacated ahead of time.
