| 1 | We had an issue before about our Audited Financial Statement for 2022, our chairman is working on it but there is still that uncertainty and replacing our Internal Auditor. We would like to request a week's extension. Is it possible to submit instead the AFS 2022 as part of the post-qualification documents if the project is awarded? | No. We maintain our requirement. Deadline for the submission and opening of bids is moved from 04 October 2023 as advertised to 11 October 2023. |
