1.	<p>For item nos. 2 and 3: The bidder must submit certification from the manufacturer</p> <p>Item 2: For IP Installation (with listed materials)</p> <p>If so, may we respectfully request that certification will only be provided for major components of the paging system, and not to include network devices, cables and connectors?</p> <p>Item 3: For Fiber Optic Installation (with listed materials)</p> <p>For the network devices, cables and connectors, may we instead issue a sworn statement or notarized affidavit that we will supply those items, the same as in the Item #1 under the IP/PA Alarm system?</p>	<p>Yes, the bidder must submit a certification from the manufacturer on major components of the paging system. Also, the bidder shall provide a notarized affidavit for the network devices, cables and connectors.</p> <p>Yes. Please refer to item 2, above.</p> <p>This will amend Section VII – Technical Specifications of the Philippine Bidding Documents</p>
2.	Valid PhilGEPS Registration Certificate (Platinum Membership) (all pages) in	The requirement is a valid certificate of registration at the time of submission. Thus, a proof of application for renewal is

	<p>accordance with Section 8.5.2 of the IRR;</p> <p>Our PhilGEPS Platinum Membership is about to expire. Renewal was already filed on 25 September 2024, but the current status is still for approval. PhilGEPS renewal normally takes 2-3 business days but unfortunately, it has been more than 2 weeks since we applied, and we haven't heard back from PhilGEPS despite several follow-ups. In view of this situation and if our renewed Platinum Membership Certificate will not be approved in time for the deadline of submission of bids, may we request that our old Certificate be accepted with the attachment of our renewal application confirmation from PhilGEPS?</p>	<p>not acceptable.</p>
