	<b>Query/Clarifications</b>	<b>TWG/BAC Reply</b>
1	Aside from the Bill of Quantities, do we need to attach a Price Schedule?	The Form 02 in the Bidding Document is the Bid Breakdown of the project. The Bill of Quantities is also included in the Bidding Document. Both documents are required to be submitted in the opening of bids.
2	Regarding the List of Ongoing Private and Government Project and SLCC, do we need to attach supporting documents?  Is it acceptable if we only submit one (1) SLCC, considering it is sufficient to cover for the three (3) lots.	For the List of Ongoing Government and Private Contracts, no supporting documents are required.  For SLCC, bidder must submit Certificate of Completion.  Yes, you may submit one completed project for the SLCC provided that the amount of the contract is equivalent to at least 50% of the highest ABC among the three (3) lots.
3	Regarding the Special Power Attorney (SPA), are you providing a templated form for the Special Power of Attorney?	No, you can submit your own format of the SPA.
4	Do we need to submit three (3) envelopes if we are bidding for all the lots?	You only need to submit one (1) sealed envelope but with separator and proper identification if you are planning to bid for all the Lots.  Please refer to the Bid Bulletin for the preparation of documents.
