1	<p>We are a contractor holding a valid PCAB License under Small B, as specified in your requirements. However, we currently do not possess the required Single Largest Completed Contract (SLCC).</p> <p>With this, we would like to inquire whether we may still be eligible to participate in the bidding. Based on the guidelines set by the Government Procurement Policy Board (GPPB), contractors with a Small B License, even without the required SLCC, may still be allowed to bid on government infrastructure projects if the cost of such contract is not more than the Allowable Range of contract Cost (ARCC) of their registration as prescribed by the PCAB. We would greatly appreciate your confirmation or further guidance on this matter.</p>	<p>Non-submission of an SLCC is a ground for disqualification/ineligibility.</p> <p>This eligibility criterion cannot be dispensed with as this assures the SSS that the bidder has sufficient experience and a reliable track record.</p>

OTHER INFO:

1.	Issuance of BOQ Form and Plans	Bidders will be provided with soft copy of BOQ Form (excel file) and plans.
