Justification: a. To prevent disruption in the service delivery b. Under Section 53.2 Annex H - Section V.D.2, NP - Emergency Cases may be resorted to in the following instances: a) iii. Other causes where immediate action is necessary -to restore vital public services, infrastructure facilities and other public utilities.  The equipment was purchased in 2016. The 2-year warranty and the subsequent 3-year maintenance agreement (MA) has lapsed in 2021. In 2019, it was decided not to provide a new MA due to IT Leadership anticipating a fully "checkless" payout for all benefit systems by 2022. The equipment is presently malfunctioning.
