CERTIFICATION

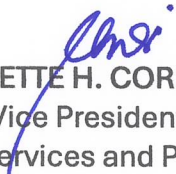

This is to certify that the Social Security System (SSS) has enhanced and integrated its digitalization thrust in 2025 for the convenience, health and safety of its transacting members.

The following information technology initiatives were implemented:

1. MySSS Card which is an official ID and a functional debit card that will serve as the default disbursement account for SSS benefits;
2. New module in the My.SSS Member Portal which utilizes PSA Facial Recognition Authentication, allowing members to apply for the MySSS Card online;
3. Integration of the enhanced salary loan application feature in the MySSS Mobile Application to be of same accessibility as the My.SSS Member Portal; and
4. E-disbursement system notification for unsuccessful crediting of benefits with email notification.

This Certification complies with the provisions of the Corporate Governance Scorecard mandated by the GCG.

Done this 11th day of March 2026 in Quezon City.
