## CERTIFICATION

This is to certify that the Social Security System (SSS) has complied with one of the provisions under Section 32: Corporate Social Responsibility (CSR) of its Manual of Corporate Governance to wit: “the Social Security Commission shall establish an environmentally friendly value chain to safeguard the environment such as the management and implementation of a paperless environment at SSS.”

SSS has implemented the following:

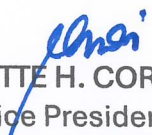

1. Establishment of the Benefits and Environmental, Social and Governance (ESG) Oversight Committee (BESGOC) in the Social Security Commission supported by an internal ESG Working Committee to formulate, review and oversee benefit programs and define ESG priorities, ensuring their integration into the SSS’ overall strategy;
2. Initiatives and plans for the installation of sewage treatment facilities in select SSS buildings;
3. “From Waste to Cultivate” Project which repurposed used folders and forms to drawing books donated to day care centers in Mindanao and was conferred the Quality Sustainability Award by the Philippine Society for Quality, Inc.; and
4. Digitalization initiatives promoting paperless transactions.

Additionally, the SSS continued to implement the following:

1. Coded Trash Bins, which follows the three “Rs” of proper waste disposal (Reduce, Reuse, Recycle) pursuant to Republic Act No. 9003 also known as the Ecological Waste Management Act; and
2. Energy efficient building management, including the use of inverter-type air conditioning units with ozone-friendly refrigerants at the SSS main building, and LED bulbs/lamps in compliance with Administrative Order 183 which directs the use of energy efficient lighting/lighting systems in government facilities; and
3. Efforts toward sustainable energy through the installation of Solar Panels in select SSS offices. As of 2025, the SSS has targeted 46% (6 out of 13) completion for all planned locations with the remaining for gradual installation in the succeeding years.

This Certification complies with the provisions of the Corporate Governance Scorecard mandated by the GCG.

Done this 11th day of March 2026 in Quezon City.
