

Name: **VICTOR ALFONSO A. LIMLINGAN**
Date of Birth: NOVEMBER 26, 1976
Place of Birth: MANILA
Age: 49
Sex: MALE

BRIEF DESCRIPTION OF FUNCTION

Commissioner Limlingan was appointed as Social Security Commission (SSC) member, representing Employer's group on November 19, 2024 and took his oath on November 25, 2024.

As a member of the SSC, which serves as the governing body of the Social Security System (SSS), Commissioner Limlingan plays a crucial role of governing the SSS administration in terms of policymaking, policy direction, monitoring and overseeing management actions. He is responsible for formulating policies to ensure effective management and protection of members' benefits, approves guidelines for contributions, fund investments, and benefit disbursements, and monitors operations to align with the SSS mission of providing social protection.

Additionally, the SSC safeguards the sustainability of funds to meet the needs of members and their beneficiaries, ensuring efficient, effective, and transparent operations. He is also performing quasijudicial functions through the decisions rendered in the evaluation of cases involving disputes on SS coverage, benefits, contributions and penalties pursuant to Republic Act No. 11199 otherwise known as The Social Security Act of 2018.

In January 2025, he was designated as Chairperson of the Risk Management and Actuary Committee (RMAC), and a member of SSS Investment Committee, Contribution and Collection Committee, and Corporate Governance Committee.

MAJOR ACHIEVEMENTS

With a diverse career in finance, investment, public service, and entrepreneurship, Commissioner Limlingan has contributed to strengthening economic governance and financial management in the Philippines.

As a Member of the Social Security Commission (SSC) and former Board Member of the Development Bank of the Philippines, he has been involved in overseeing risk management, investment strategy, and policy implementation to safeguard public funds and drive economic growth. His leadership as Chairman of the Risk Oversight Committee in DBP has contributed to strengthening financial oversight and ensuring responsible fund management. Previously, as Senior Vice President of Small Business Corporation, he worked on post-pandemic financial recovery initiatives for small enterprises while optimizing treasury investments to improve returns. Additionally, his work as a consultant for NEDA and the Housing and Urban Development Coordinating Council has provided valuable insights into economic policy.

Beyond public service, Commissioner Limlingan has extensive entrepreneurial experience in various financial and industrial ventures. He has contributed to business development at Regina Capital Development Corporation, Solar Techno Design Solutions Inc., and Technofarm Agricultural and Aquatic Products Inc. His background in distressed asset management and strategic investments includes roles at Argyle Street Management, Cerberus/GMAC LLC, and Sun Life Asset Management.

With his entrepreneurial background and financial expertise, he brings a practical perspective to his role at the SSS, supporting efforts to enhance fund sustainability and member benefits.
