

PROJECT: STAIR PRESSURIZATION SYSTEM AT SSS BRANCHES**QUERIES/CLARIFICATIONS RAISED DURING THE PRE-BID CONFERENCE:**

	Query/Clarifications	TWG/BAC Reply
1	Since we have previous projects involving Air Conditioning Units and Fire Detection and Alarm System, may these projects also be included in the calculation of the Single Largest Completed Contract (SLCC)?	We maintain our requirements.
2	How should the documents be submitted, will it be separate documents per lot, or one document covering all lots?	Legal documents that are similarly required for multiple lots may be submitted as one set. However, documents with specific requirements must be submitted separately for each lot. Please refer to the checklist of requirements in the Bid Bulletin.
3	How will the SLCC be calculated for the three lots? Will it be computed as the summation of all lots or on a per-lot basis?	The SLCC will be computed on a per-lot basis.
